3.4.1 Extension activities are carried out in the neighbourhood community, sensitizing

students to social issues, for their holistic development, and impact thereof during the last year. The NSS unit at PIPS (Presumably a Pharmacy Institute) actively engages in various public issues, addressing them through technical initiatives and community involvement. Their service-oriented programs are diverse and impactful. Among their recent endeavours, the NSS successfully conducted awareness programs on anti-ragging, the significance of a balanced diet and its related health issues, as well as promoting the Swachh Bharat campaign and organizing blood donation camps. The unit also arranges guest lectures on crucial topics such as women's safety, women-led startups, and other general societal concerns. To emphasize the importance of a balanced mind and body, Yoga Day is celebrated annually, encouraging a healthier lifestyle. PIPS has further enhanced its commitment to student well-being by establishing a "Healthcare Centre" that focuses on raising awareness about health, proper diet, and nutrition. Additionally, a health club with gym facilities has been set up in the hostel, providing students with access to fitness equipment and promoting overall health care.

Annual Activities and Their Impact on Students:

1. National Celebrations: On Republic and Independence Days, students honour freedom fighters and are reminded of their responsibilities towards nation-building.
2. Green Campus Initiative: Students are consistently motivated to engage in tree-planting activities, fostering environmental awareness and contributing to a greener campus.

3. Yoga Day: Students participate in Yoga Day activities, promoting physical and mental well-being through the practice of yoga.
4. Plastic-Free Environment: Students are encouraged to minimize the use of plastics, advocating for sustainable practices
5. Water Conservation: Students are urged to develop systems for conserving water and reducing wastage, highlighting the importance of responsible water utilization.
6. Swachh Bharat Campaign: Students are actively involved in maintaining cleanliness in the hostel and surrounding amenities, supporting the nationwide cleanliness drive.

Description	<p>Republic Day is celebrated on January 26 every year to remember the day when the Constitution of India came into effect after India gained independence after a very long freedom struggle. A salute of 21 guns and the unfurling of the Indian National Flag by Dr. Ramakrishna heralded the historic birth of the Indian Republic that day. Thereafter 26th of January was decreed a national holiday and was recognised as the Republic Day of India. Ever since the historic day, January 26 is celebrated with festivities and patriotic fervour all around the country.</p>

Description	Yoga is an ancient physical, mental, and spiritual practice that originated in India. The origin of the word "yoga" is from Sanskrit, which means "to unite". On June 21, it was recognised by the United Nations. Yoga has gained tremendous popularity not only in India but across the globe. It marks an opportunity to spread awareness about the benefits of yoga. Yoga is said to be more than just an exercise for those who practice it on a daily basis. As per the United Nations, yoga stands as an emblem for creating balance and harmony. When yoga is applied to communities and societies, it offers a path to sustainable living
