ACTIVITY REPORT

Name of the Activity	Activity	Soft skills
Type of Activity		Spoken and Communication Skill
Date and Time of Activity	11-01-2024	10AM to 4 PM
Details of Participants		120
In collaboration with		Sten Corniche Education Services
Description	A Workshop on Communication and soft skill development was organized by the Pratishtha Institute of Pharmaceutical Sciences on 11 th January 2024. The Resource person of the day was from Sten Corniche Education Services. The speaker for workshop was warm welcomed to the session on behalf of PIPS Principal, Head of the Departments and students Our respected principal had addressed the gathering. Coordinator of the event gave an introduction about the resource person and his achievements. The workshop is an initiative to impart soft skills which will help students to clear recruitment entrance exams. The session was preceded by resource person, who took over the session and delivered a lecture on leadership skills. He further went on to give a vivid outlook on the importance of leadership skills at various working places. The session continued on with the topic communication skills where strategies to develop communication was presented thereby ensuring good results in all aspects. The communication and interview skills of the student have been the major target area. The students were elated with the innovative suggestions and ideas that were discussed by guest speaker. He mentioned some of the mile stones achieved by great leaders with the help of soft skills. He further threw light on the fact that all the students should now be prepared to ensure good leadership skills for students. The session went on to be more informative as he continued to talk about the need of leadership and soft skills for employability. Participation in a sudden jam session, group discussions, debates and other activities which helps broaden the horizons for student interaction and development. His focus was on Communication and soft skill development and developing skills relating to employability that would facilitate academic progress of the students
