• institutional mechanisms are in place to continuously review the teaching learning process. Internal Quality Assurance Cell: It is the body that initiates quality measures and reviews the teaching-learning process. Structure : The IOAC headed by the Principal includes coordinator, external experts, and members from the management, teaching and non-teaching staff, students, alumni and the local community. The college academic committee: It sets the academic framework for each year and meets at least once a month to review and discuss matters. It also monitors the day to day functioning of the College. Structure: The college Academic Committee includes the Principal as the Chairperson, Heads of the departments, Deans and senior faculty members (All professors) from the faculty. The methodologies adopted to review the teaching learning process are: Weekly reports are collected from faculty on the progress made towards the timely completion of syllabus. Monitoring sessions to provide students with personalized support are regularly held. Students attendance and Mentor books are observed on a fortnightly basis. Three separate students counselors are available for each section, who act as mentor to the students.
